A Publication of Delta Upsilon at the University of Missouri • Fall 2014

Day 84 of construction.

## Missouri Chapter Makes Progress on Many Fronts *Give Today to Help Us Reach Our Goal!*

### ONLINE GIVING MAKES DONATING EASY

We recently passed the \$2.6 million threshold in signed commitments toward our goal of \$3 million. Thank you to all of the donors listed on page 2. If you have not made a pledge yet, we urge you to do so if at all possible. We are excited to announce we have added online giving capabilities to our web presence. Go to <http://missouridu.kintera.org/campaign> to check it out, and submit your gift today! We will soon also have an overhauled website and are excited to share the changes with you.

### CONSTRUCTION ENSUES AT 711 TIGER AVENUE

Construction is proceeding on time and on budget! If you have not been by the property, you should do so. Alternatively, you can go to the following link for daily photo updates: <http://flicker.com/photos/29459254@N02/collections/72157646263702064/>. Thanks to **J. C. Emerson '62** for his tireless efforts to develop and maintain this site.

### CHAPTER REORGANIZATION TO STRENGTHEN MEMBERSHIP

From the start of the capital campaign, we have stressed the fact that this is about more than just “bricks and mortar.” To position the chapter for long-term success, we must seek to strengthen our programming, chapter oversight, and alumni engagement. Working with Delta Upsilon International Fraternity (DUIF), we recently outlined a chapter reorganization plan to our existing undergraduate members. A reorganization committee led by the professional staff of the Fraternity will coordinate this activity including member interviews and a redevelopment process.

We must insure that we have the highest quality membership in place once the new facility is completed next fall. Under Missouri Chapter and

DUIF constitution and by-laws; however, our collective power to remove members is limited. The reorganization initiative will allow DUIF to conduct a full member review by late-November. At the end of that time period, members will be advised regarding their membership status. At that point, the remaining members will work with DUIF to put in place specific programming improvements so that we are optimally positioned to hit the ground running next fall.

The chapter and alumni leadership see this as a difficult but necessary part of our transformation activities. After a decade of documented excellence, our chapter performance has slipped the past few years. At Mizzou and across the nation, performance standards for Greek organizations are escalating at a rapid pace. We believe that now is the perfect time to insure that the Missouri Chapter of Delta Upsilon is positioned for sustained success.

Lastly, it is important to recognize that actions of the kind outlined here often get embellished. The chapter is moving forward and the construction/occupancy of the new chapter house has not been impacted in any way. As alumni and donors, we believe this is the best way to protect your investment in DU.

These are indeed exciting times for Missouri DU. Thanks for all you do!

Fraternally,

# THANK YOU, LOYAL ALUMNI, FOR YOUR CONTRIBUTIONS

We are deeply grateful to the following Delta Upsilon brothers and friends for committing over \$2.6 million to the *Missouri DU-Building Our Next 100 Years* campaign. These brothers recognize the importance of continuing the legacy created at Missouri and have demonstrated a sense of gratitude for their personal experience. All donors contributing a

minimum of \$2,500, over a five-year period, will be recognized on a plaque prominently displayed in the renovated chapter house. If an error has been made in recording your gift, or your name has been mistakenly omitted or listed improperly, we sincerely apologize. Please advise our campaign coordinator at (785) 843-1661 so that we may make a correction.

# 2014 Leadership Conference Highlights DU Alumni and Undergraduates

Missouri alumni were prominently featured at this years' Delta Upsilon International Fraternity (DUIF) Leadership Conference that was held at the Downtown Marriott in Kansas City July 31 to August 3.

Brother **David Novak '74** was the keynote speaker on Saturday, August 2. David, who is chairman and CEO of YUM! Brands, Inc., gave a terrific presentation to the nearly 500 undergraduate and alumni members in attendance. The presentation was based on his trademarked program, "Taking People with You," which emphasizes teamwork and a belief in people that rewards and recognizes customer-focused behaviors.

William "Billy" Long '77 at Lectern.

Later that evening, Brother **William "Billy" Long '77** was presented with the James A. Garfield Award of Merit in public service. Billy has been the U.S. Congressman for the 7th district in Missouri since 2009. He is also a member of the House Energy and Commerce Committee. Later that evening, Billy, who has been a member of the National Association of Auctioneers for over 30 years, and is a member of the Missouri Professional Auctioneer's Hall of Fame, thrilled the undergraduates with his performance at the annual undergraduate poker tournament and t-shirt auction.

Another highlight of the evening was the inauguration of Brother **E. Bruce McKinney '74** as DUIF's 41st president. Bruce has been a member of the DUIF board since 2005. He was a long-time chapter advisor of the Missouri Chapter and has served as president of the Missouri Alumni of Delta Upsilon, Inc. for over 15 years. Bruce also serves as the committee chairman for the *Missouri DU-Building our Next 100 Years* capital campaign.

An alumni reception was held in conjunction with the leadership conference. Over 35 Kansas City area alumni and the undergraduate delegation were in attendance. Brothers **Bob Hiatt '73** and **J.C. Emerson '62** helped organize the event that included showcasing a variety of Missouri DU memorabilia, a slide show of the new house construction, and a testimony by Brother **Quentin Campbell '16** regarding his Global Services Initiative experience in Washington D.C.

A complete album of Leadership Institute photos can be found at <https://www.flickr.com/photos/deltaupsilon/sets> and by selecting "LI Kansas City 2014."

## Undergraduates Hard At Work

### LEADERSHIP INSTITUTE

Eight of our undergraduate members attended the DUIF Leadership Institute this summer where the chapter was recognized for signing the largest number of new members (39) of any DU chapter last school year. The chapter also had the second highest overall Chapter Excellence Plan (CEP) score. The CEP is a standardized planning and reporting tool developed by DUIF and is indicative of a chapters programming proficiency. **Ryan Willy '17** was recognized as one of three Oak Circle Scholarship recipients for his fraternity involvement, Oak Circle participation, volunteer service, and GPA.

### RECRUITMENT

Our summer recruitment resulted in the signing of 27 new associate members. The average ACT score of the members (26.9) was a full point higher than the University average.

### PARENT ORIENTATION

The semi-annual new parent's orientation was held at Chamber Auditorium on August 23. Parent attendance for this event was outstanding.

### PLEDGE FATHER/PLEDGE SON COVENANT RITUAL

On September 2, **J.C. Emerson '62** planned and implemented a ceremony and dinner for the undergraduates celebrating the role of positive mentoring among our members.

### DAD'S WEEKEND

This annual event was held on the weekend of October 11. Fathers and sons had an enjoyable experience despite the football team's loss to Georgia.

### INITIATION

Initiation was held on Sunday, October 19, in the Benton-Bingham Ballroom of Memorial Union, where 27 new members were initiated. Parent and family member turnout was very strong. **J.C. Emerson '62** and **Joe Wilson '17** were the featured speakers.

## ALUMNI UPDATE

### CHAPTER ETERNAL

**Byron W. Ruffin '49**, a true gentleman, entered Chapter Eternal on June 9 at the age of 91. He entered the U. S. Navy in 1942, and after four years in the Pacific during WWII, he continued his education at the University of Missouri studying electrical engineering. Byron served through the end of WWII in the Pacific and from his destroyer escort ship he witnessed General MacArthur sign the Declaration of Peace with the representative of Japan alongside his best friend of 70 years, Barry Bocchieri. Byron was a true patriot and loved this country. He was a cartographer and mathematician with the federal government for 23 years. He mapped the moon with mathematics for the NASA space program. Byron strived and succeeded in many areas from golf to ball room dancing with his loving wife, Helen. When he retired at the age of 55, he focused on enjoying the game of golf and the beauty of the outdoors. He carried his love for nature into his own yard and was a master of a pristine lawn.

**Jack P. Barger '54** entered Chapter Eternal on August 18, 2013. He was a resident of Bothell, Wash.

**Thomas E. Murphy '60** entered Chapter Eternal on May 20 at the age of 76 after battling Alzheimer's disease. He spent six years in the Army rising to the rank of Captain, and taught several business courses in Missouri, including Washington University in St. Louis. He is survived by his wife, Judy.

**Robert S. Brase '65** entered Chapter Eternal on December 9, 2013.
