

# The DUCK CALL

A Publication of Delta Upsilon at the University of Missouri • Fall 2015

## A NEW ERA BEGINS—YOUR SUPPORT IS STILL NEEDED

### MEMBER MOVE-IN

On Friday, August 20, less than 14 months after demolition of the old chapter house, the undergraduate members moved into our fantastic new facility. Seven of the nine alumni board members were in attendance to help facilitate the process.

### CONSTRUCTION

While the bulk of the construction is complete, there are a number of items that will be completed this fall. Most notably, that includes some finish work related to the first floor bedrooms, the alumni room, the lounge (brother room), and the exterior landscaping.

### FUNDRAISING

We are currently less than \$65,000 away from our goal of \$3 million. Now is the time to make a final push to achieve that objective. Thank you to all of the donors listed on pages 2-3. If you have not made a pledge yet, we urge you to do so if at all possible. Please send in your pledge today or go to [www.missouridu.com](http://www.missouridu.com) to access our online giving site.

### PROGRAMMING AND OVERSIGHT

From the start of the capital campaign, we have stressed that this effort is about more than bricks and mortar. To position the chapter for long-term success, we must also seek to strengthen our programming, chapter

*We invite you to stop by the house to see the finished product for yourself!*

oversight, and alumni engagement. Following are some of the things we have put in place to fundamentally upgrade our operating model.

### REORGANIZATION PLAN

The chapter has been in reorganization status since November of last year. A committee of Delta Upsilon International Fraternity (DUIF) staff members is working actively with the alumni and undergraduates to revamp much of our programming and operating procedures. The chapter will continue to operate in that manner until such time as DUIF feels it is capable of operating successfully on its own. Until that time, the chapter house will be alcohol-free for all members and guests, including alumni.

### HOUSE DIRECTOR

Martin Cram was recently named the full-time director of chapter programming and facility management. He will work as the onsite coordinator of chapter educational programming, student advisement and facility management. Martin has a bachelor's degree in family studies and human services from Kansas State University and a master's degree in college student personnel administration from the University of Central Missouri. He has previous experience as a residence hall director and campus Greek Life advisor.

# THANK YOU, LOYAL ALUMNI, FOR CONTRIBUTING OVER \$2.9 MILLION

We are deeply grateful to the following Delta Upsilon brothers and friends for committing \$2,937,749 to the *Missouri DU-Building Our Next 100 Years* campaign. These brothers recognize the importance of continuing the legacy created at Missouri and have demonstrated a sense of gratitude for their personal experience. All donors contributing a minimum of \$2,500, over a five-year period, will be recognized on

a plaque prominently displayed in the renovated chapter house. If an error has been made in recording your gift, or your name has been mistakenly omitted or listed improperly, we sincerely apologize. Please advise our campaign coordinator at [alehr@penningtonco.com](mailto:alehr@penningtonco.com) so that we may make a correction.

# A NEW ERA BEGINS

(Continued from page 1)

## SECURITY PROGRAM

The new facility will have a variety of new security features, including fingerprint access and video monitors. We have also contracted with off-duty police officers to provide additional security on weekends, football games, etc.

## PROPERTY MANAGEMENT PROGRAM

We have contracted with Community Association Management to provide a comprehensive property management solution for the chapter. Services include cleaning of common areas in the chapter house, assistance with move-in/move-out procedures, security deposit assessments, etc.

## ASSOCIATE MEMBER HOUSING

All associate members, primarily freshmen, will be required to live in the residence halls for at least one semester. Longer term, we expect that to be for a period of one full year. After that, members will be expected to live in the house through their junior year. We believe this model will be beneficial to both the new members and those living in the chapter house.

We have a great new facility and are putting programs in place to make sure the chapter is positioned for long-term success. We hope you can drop by for a tour of the chapter house at an upcoming home football game, and we look forward to the official dedication in the spring. Thank you for your support!

# CHUCK HATLEY '80 FINDS IMPORTANCE IN GIVING BACK TO MISSOURI CHAPTER

Chapter Advisor Supports Capital Campaign, Volunteers Time

One of the defining undergraduate moments for **Chuck Hatley '80** was moving out of his freshman dorm and into Delta Upsilon. "It was what I was looking for," Chuck says. "Great guys, great social experience, with a unified purpose. It really enhanced my college experience."

Chuck and his wife, Robyn.

From there on out, he fondly recalls many great times, ranging from football game days to DU social events. One memory in particular was with **Randy Farmer '79**. He was in many of Chuck's classes and even helped spark his interest in dental school. "He was a good leader and well respected by all of the brothers," Chuck says. Alongside Randy, all men of DU and the organization truly prepared him for life after the University of Missouri.

"Living with a diverse group of guys and learning to balance academics with social events were so important in the maturation process," Chuck says. "To this day, I use skills in my practice I developed in learning to get along with everyone."

Because of his wonderful experience fostered at the Missouri Chapter, he now serves as the chapter advisor, and thoroughly enjoys his time spent with DU brothers. "My favorite part of chapter advisor is getting to personally know the members," Chuck says. "I look and listen, and realize things aren't all that different from when I was in college."

Chuck also feels passionate about supporting the *Building Our Next 100 Years* campaign. "The previous structure had long been overdue for a replacement," Chuck says. "I think it's important for the new guys to have the best living environment possible so they can have the positive experiences I had as a member of DU." He encourages all alumni to contribute something to the campaign—whether it is through a donation or by volunteering your time. "Even a visit to the house to meet and encourage younger brothers is beneficial. They are all solid young men with a bright future."

Chuck and his wife, Robyn, live in Columbia, Mo. They have four daughters: Jennifer, Jessica, Kennedy, and Lauren. E-mail: chuck496@aol.com.

# SUMMER CONSTRUCTION TAKES MISSOURI CHAPTER TO NEW LEVEL

Missouri Chapter delegation at the Leadership Institute.

## Delta Upsilon Continues the Tradition of Success

### MISSOURI CHAPTER NAMED TOP ALUMNI ASSOCIATION

Nine undergraduate members attended the Delta Upsilon International Fraternity (DUIF) Leadership Institute July 30 to August 2 in Atlanta, Ga. Three alumni members were also in attendance. The Missouri Alumni Association was recognized as the top alumni organization for the past year.

### CHAPTER REORGANIZATION UPDATE

We continue to work with DUIF and the alumni board toward completion of our reorganization plan. This fall, we will be one of several DU chapters who pilot the new eight-week associate member program.

### RECRUITMENT

Our summer recruitment program resulted in the signing of 33 new associate members. The

average GPA was 3.65. The average ACT score was 28.5, compared to the University average of 26. Twelve of the members were Bright Flight Scholars or the equivalent with an ACT score of 31 or greater.

### PARENT ORIENTATION

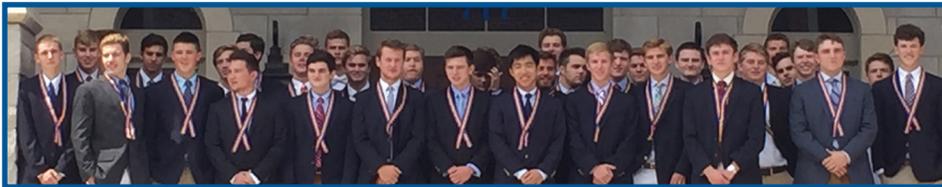

The semi-annual new parent orientation was held at the Mizzou Student Center on August 21. The associate member pinning ceremony was held at the conclusion of the meeting and guests were then invited to tour and have lunch at the new chapter house.

### FALL EVENTS

This fall has been packed with activities! Homecoming was on October 10. We were partnered with Tri Delta and Kappa Sigma for this year's activities. Additionally, initiation was on Sunday, October 18. We enjoyed seeing familiar faces at both of these events.

Terry Brady '62 and Collin Smith '16 in front of the new chapter house fireplace. Terry was the first president who lived in the old house and Collin is the first president to live in the new house.

**Come Visit Our  
New Chapter  
House!**  
*Fall Tour Schedule  
Announced*

To accommodate anticipated interest in visiting the new chapter house, a series of tours has been scheduled in conjunction with each home football game. Specifically, tours will be conducted by alumni volunteers and undergraduate chapter members for any interested alumni, parents, and guests beginning two hours before and after each home football game. Given the tight construction schedule, and University restrictions on chapter house access and usage, these functions will be initially limited to tours and will be strictly alcohol free. We hope to expand our event planning at the chapter house in the future once we have our operating plan better established.

**Save the Date: Chapter House  
Grand Opening Event**

Plans for an official dedication/grand opening are currently underway for a weekend during the spring 2016 semester. Details are being developed and will be shared as soon as they become available.

**Wanted: Missouri DU Memorabilia**

We are currently soliciting memorabilia, especially pictures of the old chapter house(s), to display in the new chapter house. If you have something you would like to share, please contact Ted Murray at (913) 526-3330 or ted.murray@colliers.com.
